

## Elective and Specials Alternate Fridays Schedule 2011–2012

√ = Class meets that Friday

- This schedule includes about 15 Fridays for both sides, but it does not include Ski days or other unscheduled, conflicting events; so each class may lose a Friday here or there: it likely will even out, so all 8<sup>th</sup> period classes will need to be a bit flexible.
- Students in overlapping Friday classes will need to coordinate with individual teachers.
