

HERITAGE CHRISTIAN SCHOOL
Extracurricular Activity Participation Form

Student Name: _____

Grade: _____

School Year: 2024-25

This form states the expectations that Heritage Christian School has for all students engaged in extracurricular activities and sports. Students deserve to know the expectations as well as responsibilities to their teammates, their coaches, and, most importantly, to the Lord Jesus Christ to conduct themselves in a manner that brings honor to all three.

The student will:

- 1) Show respect for his/her coaches and teammates at all times.
- 2) Accept the decisions of officials in a totally positive manner.
- 3) Follow the directions of coaches in practice as well as during games/events.
- 4) Exhibit good sportsmanship at all times.
- 5) Miss no more than two practices or one game/event during the season, unless sick as verified by a written excuse from a parent or doctor. Lack of an acceptable excuse may result in the suspension for one or more games.
- 6) Maintain academic grades of "C" or above in all subjects as well as meet the behavioral standards* of his/her classroom teachers. If these standards are not met, the athlete will be suspended from participating in games until conditions are improved.

**Any discipline infraction that warrants being sent to the principal's office or placing a call to parents may result in a suspension of the student from the next game/event. While the student is suspended, he/she will be expected to attend "home" games/events. The student should sit with the team and wear school dress code clothing rather than team uniform/warm-ups. The suspended student is expected to attend practices, but participation in those practices will be up to the discretion of the coach. He/she will not be permitted to travel to or participate in "away" games/events with the team. Two such incidents during a season will result in the student's permanent removal from the activity.*

As representatives of Heritage Christian School, each student participating in an activity or sport must dress neatly and in good taste at all times. Falcon and Lady Falcon athletic teams will "dress up" for all game days. Administration and coaches will determine proper attire.

By signing below, I agree to do everything in my power and in the power of God to live up to the above conditions and to help the participant to live up to them.
