## Congratulations to the HCS Robotics Team!

Congratulations to the Heritage Robotics team! At the First Tech Challenge regional competition at MSU on Friday, they made it through the five preliminary rounds, semi finals, and continued all the way to the championship round, where they ended out with second place, earning another trophy for our collection. Our team members; Ben Anderson, Dru Schwartz, Levi Black and Daniel Verellen did an outstanding job building, programming, driving, and strategizing. The game this year involved placing pixels on a board, launching a paper airplane, and hanging from a bar!

## Cold Snowy Weather is Upon Us

Parents – please make sure your students come to school equipped with winter clothing to keep them warm during recess. Snow pants, jackets, gloves, and boots are necessary this time of year as the playground is snowy and cold. Student safety and comfort is a high priority for us and we love them getting outside after sitting in the classrooms. 😊 Thank you for checking their backpacks and cubbies for these items and ensuring they have everything they need to keep them comfortable.

*I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your partnership in the gospel from the first day until now. And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ.*
