Important Change for our School System, Ren Web – Please read!

Dear Families,

We wanted to make you aware of an upcoming change that may affect your usage of ParentsWeb or the RenWeb Home App.

Four years ago, RenWeb was acquired by another company called FACTS, and on Friday, October 12, they launched a new website and are rebranding the RenWeb Company to the FACTS name.

What does this mean for you?

- The way you log into your accounts will not change (whether in ParentsWeb or on the RenWeb Home app). Your usernames and passwords will remain the same.
- You can still log into the RenWeb Home app, although you may see new colors and logos in the app.
- If you currently go to RenWeb.com to access ParentsWeb, you will be able to continue doing so for a time, but you'll want to start making the switch and logging in at **FACTSMgt.com**.
- There are additional login instructions on the Parent Resources sheet that FACTS provided. It's available [here](#).
