## Cold is upon us!

Parents, please make sure your students have warm clothing with them at school. Students need to have snow pants, jackets, hats and gloves to stay warm at recess.

We will monitor wind chill but for the most part students in grades 1<sup>st</sup>-6<sup>th</sup> will be outside for recess and we want them to enjoy it and be safe. We appreciate your helping with this. The students really enjoy being outside and when they aren't prepared they must stay indoors for safety sake.

## Safety and Supervision

We want to remind everyone to use caution in our parking lot before and after school. We do our best to keep the lot free from snow and ice but ask that pedestrians and drivers use extra caution during the winter months.

Also, a note to all parents when picking up students: Once students are dismissed from class they are to remain under the supervision of their parents. Students waiting on athletes in practice or games are asked to remain with parents. Please don't allow your children to roam the hallways unattended. Teachers and staff are busy completing tasks after school. They love your children, but in order to teach well they need to prepare for the next day! Thank you for understanding!

*The LORD'S loving kindness indeed never cease,  
For His compassions never fail.  
They are new every morning;  
Great is Your faithfulness  
- Lamentations 3:22-23*
