whole heart,
and I will glorify your
name forever.*

Safety Reminders

Parents – Please remember we ask that you not double park in the elementary classroom area of the parking lot. Please don't leave your cars parked while you "run inside for just a second". This is a safety issue and we have had some close calls. We do understand our parking lot isn't very big, but with the weather warming up it will be easier to park and then retrieve your younger students. (Yes, the weather IS warming up...hopefully)

Also, please be mindful to only enter the parking lot from the west entrance side and exit out the east exit. Please do not park in the handicap parking unless you have a need.

Thank you for your patience. We understand the high traffic times are congested.
