## Secondary Student Covenants

New this year will be our desire to have all secondary students read, review, and sign their Student Covenant. Students have previously been asked to sign online at enrollment, but with our growing school we thought it best to have a pause to review the covenant. We desire that our students grow in the Lord alongside growing academically. We ask that the covenant be signed and turned in with their course request.

Heritage Christian School is considering offering a Driver's Education class this fall. We would begin the class on or about Monday, August 7<sup>th</sup>. The class would end about the last week of September with the drives possibly finishing the first week of October. A student would need to have their 15<sup>th</sup> birthday before about the first week of February 2024. The cost of the class would be \$400. We are starting a sign-up list in the office to see if there is enough interest in offering the class, so please call if you might be interested.

*Blessed be the God and Father of our Lord Jesus Christ, who has blessed us in Christ with every spiritual blessing in the heavenly places, even as he chose us in him before the foundation of the world, that we should be holy and blameless before him. In love he predestined us for adoption to himself as sons through Jesus Christ, according to the purpose of his will, to the praise of his glorious grace, with which he has blessed us in the Beloved.*
