

Parents INFORMED

Heritage Christian School

August 29th, 2022

The mission of Heritage Christian School is to educate students by integrating academic excellence with biblical worldview, helping Christian families impact the world for Christ.

Welcome Back to School Falcon Family!

TONIGHT, Monday, August 29th from 6:15-8:15PM.

There will be a Family Informational Meeting in the gym at 6:15pm with classroom visits to follow. Elementary will have two visit sessions to enable parents of multiple students to go to both. This event is open to all families and students and is a good time to get to know teachers and other families. There will also be dessert fellowship immediately following. A sign-up genius will be coming out shortly for help with set-up, tear down and dessert donations. We hope to see you all there!

New families, please stop by the New Family table for some added items and information. We desire that you get all of the information you may need to make this new Heritage experience as simple and profitable as possible.
