## We Need Your Help

We need your help to make the HCS yearbook a success for the 2022-23 school year. Due to the many restrictions and limitations preventing the Yearbook students from being at various school events, etc., we are asking you to be involved in very strategic and helpful ways. Please consider:

1. **Downloading SnapApp.** Attached to this email are instructions for downloading an app that will allow you to directly contribute photos to our online Yearbook software. It only allows 5 photos at a time, so please select only your best pics! If you don't want to use the app, there are also instructions for uploading photos to the Yearbook online software directly from your computer. Either of these options would be a *tremendous help*, since it would eliminate a significant logistical step. *You will need a school code for this!!!!!! Our school code is "Heritage Christian."*
2. **Being more purposeful in your photography.** The attachment gives some helpful tips for considering when you are planning to take pictures of your child / student in the midst of their various activities. We would love to see more creative, thoughtful compositions in this year's Yearbook. Going out of your way to capture those detailed, special and humorous moments will make all the difference for those students working on the Yearbook. Also, those of you with better cameras, longer lenses, and excellent glass, would you consider using that higher-quality equipment to capture those images that cell phones just can't?? *We have to sort through a lot of generically wide-angle photos. Crisp, clear close-ups would be a welcome relief!!*
3. **Taking Senior Portraits SOONER than later.** Inevitably, it is always a difficulty for the Yearbook staff to acquire official senior portraits before the Yearbook goes to publication. Would you please consider having those portraits taken soon? The pictures are more beautiful in the fall ANYWAY! In addition, it has been a tradition to include baby pictures along with the senior portrait in our yearbooks. Would you please submit those "embarrassing" or "endearing" pictures to us as well? You know the ones. . .

## Logging in to FACTS for Grade Checks

Secondary students who desire to log in to FACTS for checking grades will need to supply the school with their email address. Students must have an email apart from parents to use this procedure. Parents can log in to their account as well to check their student's grades. Students, please see Mrs. Walker in the office to see whether we have this information or for help logging in.

## All School Chapels

All School Chapels are held once a month on Fridays and all families are invited. Watch the calendar for specific dates. All School Chapel begins at 8:05am and goes until approximately 8:45am. Families are welcome! Chapel is held weekly on Fridays with their age group and this is a once a month way for the entire school to come together and worship our Lord.

## Attendance Procedure

Thank you all for being great communicators when your students are ill or need to leave for appointments. It really helps our attendance records. As some of you may not know we have an attendance email set up for these purposes. This email address is [attendance@heritage-christian.org](mailto:attendance@heritage-christian.org). This is a convenient way, day or evening, to let the office know of absences.
