Students in grades 7-11 are encouraged to give considerable thought to their selection of courses prior to constructing class schedules. Classes must be scheduled in accordance with HCS graduation requirements and the following guidelines:

1. Students shall carry a minimum of five (5) classes at all times.
2. Students shall carry a Bible, English, and History class each semester.
3. Students must meet class prerequisites before registering in advanced courses, and/or have the approval of the instructor of the course.
4. Students may take no more than one study hall, except by permission of the administrator. Students are expected to be in a class or in a study hall at all times.

****Students in grade twelve may leave campus after classes for work, advanced study, or community service provided that they meet HCS graduation requirements and provide written verification to the administrator. Tuition for students who leave early will not be prorated.*
