

EDUCATING STUDENTS TO IMPACT THE WORLD FOR CHRIST

November 27, 2018

Dear Heritage Christian Friends and Families,

It is an easy time of year to be thankful for you and for all that God is doing at Heritage. It is a privilege to be able to have Christ at the center of all that we do to meet our mission to educate students by academic excellence with a biblical worldview. Your prayer and financial support allow us to continue the high calling of this mission.

With the current year coming to a close, we want to thank you for your ongoing support of Heritage Christian School. Because of the support of many people, we were able to finish the garage that will provide sports storage and a concession area, and possibly future industrial technology classes. It is because of generous giving in past years that we were able to build the garage to serve the school.

We also recognize this is a time when people may be looking for opportunities to bless Heritage before the year ends. As such, we want to share some opportunities that may be of interest to you. Since much of this last year focused on completing the garage, many projects remain for us to accomplish.

We are prayerfully desiring to finish the track. Drainage for the track has been completed and the final step is to put down the top layer. We would hope to complete this in the spring when the ground becomes dry. The needed funds to complete this work is about \$15,000 to \$20,000.

Another goal is to purchase a newer van(s) for field trips and sports team use. We currently have a 1993 van and a 1999 van...with the older van not being reliable enough to be used for long trips. The cost for a newer van(s) is about \$20,000 to \$40,000.

And, as we have shared in the past, we also have a goal to purchase new playground equipment for the kids as God provides. The newest playground equipment was purchased approximately 20 years ago and has been a great addition to the grounds. As enrollment is growing, it will be nice to have more equipment for the kids to enjoy. The cost for the equipment being considered is about \$40,000 to \$60,000.

Here are the cost breakdowns:

- | | |
|-----------------------------|-----------------------|
| 1) Track | ~\$15,000 to \$20,000 |
| 2) New Heritage Van(s) | ~\$20,000 to \$40,000 |
| 3) New Playground Equipment | ~\$40,000 to \$60,000 |

We are asking you to partner with us on these projects by praying and giving as God guides you. Any designated gift is maintained in a separate designated fund until there are enough funds to complete the project. If you would like to support Heritage in any of these three areas, or give to the general fund to help keep tuition costs affordable, please fill out the enclosed form and return it to Heritage.

Thank you for your prayer and financial support. We look forward to what God has in store for Heritage in these upcoming years.

Serving Him,

Gerry Goede
